Changes to Market Time on MLSNI Reports

Due to the unusually high number of re-lists since Market Time was removed, MLSNI's Board of Directors has reversed its earlier position and has decided to make Market Time Statistics (MT) available on selected reports. The MT field will be added back to the following reports:

- ◆ All Agent Detail reports on connectMLS™ and all COMPASS® systems (PC Access™, Lightning 2000i™, RE/Explorer™)
- ◆ 1-Line report with MT will be added as an optional report on PC Access™, Lightning 2000i™, RE/Explorer™, and connectMLS™.

Market Time is expected to be added back to these reports as of early September 2006.
